NEXT GENERATION OF BOOMBLASTER

# STYLISH

RV-S Series

## Take your excitement everywhere with RV-NB75

Crank up the volume and enjoy the powerful bass blasting sound. The RV-NB75 Boomblander will bring you on a breath taking musical journey. The twin bass Superwoofers at either end cancel out unwanted vibrations giving you high quality, and powerful bass sound. It's time to feel the beat!

- Bluetooth wireless connectivity compatible with iPhone or Android (original application JVC Audio Control BR1\* is available for Android™)
- A built-in lightning dock compatible with iPhone 5 and playback functionality via a remote control
- Convenient USB connectivity for iPod / iPhone via a USB cable
- An awesome tube-shaped design with twin 13cm superwoofers for ultimate bass
- Extreme 4 channel high-powered amp with 40 watts of high quality sound output

## Always stay in style with the RV-S Series

Stylish outside and powerful inside, the RV-S Series has it all. This sleek new generation boomblaster has twin 13cm superwoofers that offer 40 watts of unforgettable power. With knobs and controls placed atop of a sleek cylinder rod, this boomblaster has a cool style and a powerful sound!

- A sleek new generation boombox with a stylish design
- Terrific twin superwoofers for powerful bass sound
- Smart connectivity with an iPod / iPhone dock, USB, & SD Card
- Handy wireless play including DLNA & AirPlay

\* RV-S5 only

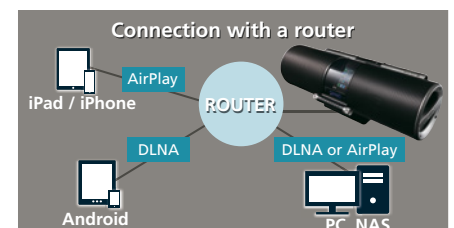

BoomBlaster featuring famous signature twin superwoofers

- Symmetrically driven back to back to minimise chassis vibration, these twin superwoofers are a blast!

Powerful Wireless Play (RV-S5 Only)

- Thanks to the "Direct Connection" feature, you don't need a router for wireless play and the connection is a snap with only a few steps. Play music directly or via a router.
